REFINISHING (LEVEL 3 AND 4)**

mito

This training programme will ensure that you are able to prepare, restore, and finish painted vehicle surfaces. These skills can then be applied to a range of jobs, from repairing damaged paintwork to simply adding some cosmetic enhancement.

Programme Outline

This programme is expected to take 3 1/2 years to complete both Level 3 and 4.

The training programme includes a mix of practical training and assessment, undertaken in the workplace, and eLearning, allowing you to complete theory elements of the programme at your own pace. You will have access to videos, interactive simulations and theory assessments, which can be easily accessed at any time and from any device – mobile phone, tablet or PC.
