## EXPERIENCE

Landscaper, Landscape solutions, November 2021-Current

Mt Wellington , Auckland

- Utilized automatic sprayers to mix and spray fertilizers and herbicides onto grass and trees.
- Cut and trimmed lawns using power mowers and edgers.
- Maintained garden areas and landscaping greenery to enhance property appearance and plant health.
- Pruned trees and bushes to improve visibility and shape.
- Mixed and sprayed or spread fertilizers, herbicides, or insecticides using hand or automatic dispensers.

Gardener, Bark Gardening, February 2021-November 2021

Henderson, Auckland

- Cared for grounds by mulching, aerating and edging around flower beds and walkways.
- Planted bulbs, bushes, trees and flowers to enhance environment.
- Scheduled regular landscaping services to promote optimal growth and maintain attractive appearance of lawns and facility grounds.

Warehouse Assistant, Earthwise, December 2020-January 2021

Glen Innes, Auckland

- This was a part time job during the Christmas holidays after I completed my studies in Automotive Engineering
- Tasks and responsibilities include: Preparing goods for distribution and packing goods on to pallets for distribution
- Lifted materials of varied weights on regular basis.

- Packed and labeled merchandise to prepare for loading and shipment to customers.

Student, Sacred Heart College, February 2015-November 2019

Auckland, New Zealand 2019

- Maintained schedule of class assignments to meet deadlines.
- Used student resources and asked professors, assistants, dean and other leaders for support.
- Set specific goals for projects to measure progress and evaluate end results.

Fast Food Team Member, Carls jr, March 2018-September 2018

Auckland, New Zealand

- Carefully maintained proper sanitation, health and safety standards in work areas following practices and company requirements.
- Served orders to customers at windows, counters and tables.
- Operated cash register and received payment from customers in cash or credit form.
- Kept customer and food preparation areas clean and well-organized.

Warehousing Associate, The Pakhouse, March 2018-March 2018

Auckland, New Zealand

- Used pallet jacks to move items to and from warehouse locations.
- Identified, picked and sorted fruits according to size, type and ripeness.
- Checked fruit for signs of disease or insects, reporting details to supervisor.
- Loaded and unloaded containers of fruit manually and with conveyors and hand trucks.
