

MITO ALUMNI ELECTRIC VEHICLE – MĀORI SCHOLARSHIP

Please read these terms and conditions carefully to ensure your application is considered.

- This scholarship covers the fees for MITO - Te Pūkenga's Electric Vehicle Automotive Engineering Level 5 programme, commencing in 2024.
- You must have completed a MITO - Te Pūkenga automotive apprenticeship and be employed full-time in the automotive industry. You must be a New Zealand citizen or resident.
- The scholarship will not be awarded to applicants that are currently completing a qualification through MITO - Te Pūkenga.
- The scholarship will not be awarded to applicants that are enrolled in another training programme with any other tertiary provider.
- The scholarship must be used within one year of it being awarded.
- The scholarship can only be awarded once per person and is not transferable to another person.
- The scholarship is not transferable to another place of employment should you change employer before the scholarship is completed, unless the new employer is within the same industry and they are willing to support you; and your previous employer and MITO - Te Pūkenga both agree to the transfer.
- MITO - Te Pūkenga will publish details of the scholarship recipients and may ask for further information to help promote MITO - Te Pūkenga's training programmes and the scholarship programme.
- A selection panel will be convened by the MITO - Te Pūkenga Executive Director. The panel reserves the right to request further supporting information. The panel's decision is final.
- Incomplete applications or applications received after 5pm, Friday 24 November 2023 will not be considered.
