

## Qualification details

Qualification number/Te nama o te tohu mātauranga	2543		
English title/Rā whakamutunga kia uru ki ngā hōtaka	New Zealand Certificate in Industrial Textile Fabrication (Level 3)		
Māori title/Rā whakamutunga mō te aromatawai			
Version number/Te putanga	3	Qualification type/Te momo tohu	Certificate
Level/Te kaupae	3	Credits/Ngā whiwhinga	120
NZSCED/Whakaraupapa	030105 Engineering and Related Technologies>Manufacturing, Engineering and Technology>Textile Making		
Qualification developer/Te kaihanga tohu	MITO New Zealand Incorporated		
Next review /Te rā arotake	31 December 2024		

## Outcome statement/Te tauāki ā-hua

<p><b>Strategic Purpose statement/ Te rautaki o te tohu</b></p> <p>This qualification provides the industrial textile fabrication industry with people who are able to accurately fabricate a variety of industrial textile products according to job and organisational requirements.</p> <p>Graduates will benefit by having a qualification which recognises skills and knowledge in industrial textile fabrication craft or manufacture to enable improved job performance, and further training or study within this industry.</p> <p>The industrial textile fabrication industry will benefit by having people with recognised skills and knowledge to competently fabricate industrial textile products under limited supervision.</p> <p>This qualification is targeted at people entering the industrial textile fabrication industry and will also provide a credential for those already working in the industry. It is intended to be attainable in a variety of industrial textile fabrication industry contexts.</p> <p>Graduates will be familiar with industrial textile fabrication processes and have the necessary skills and knowledge to work safely within the industrial textile fabrication environment.</p>
--

<b>Graduate Profile/Ngā hua o te tohu</b>
---

Graduates of this qualification will be able to:

- Comply with organisational health and safety Standard Operating Procedures (SOPs).
- Contribute to, and communicate in, a work team in the industrial textiles trade environment.
- Prepare, adjust and maintain textile fabrication machines and ancillary equipment.
- Apply basic knowledge of materials and hardware used in industrial textile fabrication.
- Apply knowledge of industrial textile fabrication techniques to create fabricated textile items as directed.

#### Education Pathway/ Ngā huarahi mātauranga

This qualification is the first step in the New Zealand industrial textiles qualification pathway and may lead to the New Zealand Certificate in Industrial Textile Fabrication (Level 4) [Ref: 2544].

#### Employment, Cultural, Community Pathway/ Ko ngā huarahi ā-mahi, ā-ahurea, ā-whānau, ā-hapū, ā-iwi, ā-hapori anō hoki

Graduates will have the skills and knowledge to work as trade assistants in the sub sector of the industrial textile fabrication field in which they were trained. For example Assistant Canvas Fabrication Technician or Assistant Motor Trimmer.

With some context related workplace training they will also be able to use their skills in other industrial textile fabrication sub sectors.

## Qualification Specifications/ Ngā tauwhāititanga o te tohu

Qualification Award/ Te whakawhiwhinga o te tohu	This qualification may be awarded by any education organisation which has an approved programme of study or industry training leading to the qualification.
Evidence requirements for assuring consistency/ Ngā taunaki hei whakaū i te tauritenga	<p>Evidence may include:</p> <ul style="list-style-type: none"> <li>• end user surveys (e.g. graduates, employers, industry associations) to determine how well graduates are meeting the outcomes in the workplace;</li> <li>• evidence of effective processes to ensure programmes continue to meet current industry needs and the graduate profile outcomes;</li> <li>• evidence of effective internal and external quality assurance systems to assure that graduates meet the graduate outcomes of the qualification; and any other relevant evidence as appropriate.</li> </ul>
Minimum standard of achievement and standards for grade endorsements/ Te pae o raro e tutuki ai, ngā paerewa hoki hei whakaatu i te taumata o te whakatutukinga	Achieved.
Other requirements for the qualification (including regulatory body or legislative requirements)/ Kō ētahi atu here o te tohu	None.

(tae atu hoki ki ngā here ā-hinonga whakamarumarū, ki ngā here ā-ture rānei)	
<b>General conditions for programme/ Ngā tikanga whānui o te hōtaka</b>	<p>It is generally expected that programmes leading to the qualification will be completed in an industrial textile fabrication workplace.</p> <p>Assessment for outcomes of the qualification is expected to be based on workplace portfolio evidence - much of which is expected to be naturally occurring.</p> <p>Competence may be demonstrated in different sub sector contexts depending on the workplace.</p> <p>The qualification is intended to cater to both computer aided manufacturing and custom hand-built contexts.</p> <p>Programme content must reflect current legislation, regulations, appropriate health and safety procedures and organisational Standard Operating Procedures.</p> <p>Additional guidance and recommendations for programme development can be found on the MITO New Zealand Incorporated website <a href="https://www.mito.org.nz/">https://www.mito.org.nz/</a>.</p>

#### Conditions relating to the Graduate Profile /Ngā tikanga e hāngai ana ki nga hua o te tohu

Qualification outcomes/ Ngā hua	Credits/Ngā whiwhinga	Conditions/Ngā tikanga
1. Comply with organisational health and safety Standard Operating Procedures (SOPs).	10	
2. Contribute to, and communicate in, a work team in the industrial textiles trade environment.	5	
3. Prepare, adjust and maintain textile fabrication machines and ancillary equipment.	20	
4. Apply basic knowledge of materials and hardware used in industrial textile fabrication.	10	
5. Apply knowledge of industrial textile fabrication techniques to create fabricated textile items as directed.	75	

#### Transition information/ He kōrero whakawhiti

<b>Replacement information/ He kōrero mō te whakakapi</b>	This qualification replaced the National Certificate in Industrial Textile Fabrication (Level 3) with strands in Canvas Fabrication; Sailmaking; and Vehicle Trimming and Upholstery [Ref: 1340].
<b>Additional transition information/ Kō ētahi atu kōrero mō te whakakapi</b>	The last date for entry into programmes leading to the replaced qualification [Ref: 1340] was 31 December 2015.

The last date for assessment is 31 December 2018, at which time it will be designated as discontinued.

Existing candidates may either complete the replaced qualification or transfer to the New Zealand Certificate in Industrial Textile Fabrication (Level 3) [Ref: 2543].

#### Version information

Version 2 of this qualification was published in December 2018. Outcome 1 was re-worded. The general conditions for programmes were updated and the conditions relating to the graduate profile outcomes were removed.

Version 3 of this qualification was published following a scheduled review.

The last date for assessments to take place leading to version 2 of this qualification is 31 December 2022.

Any person who considers they have been disadvantaged by these transition arrangements may appeal to MITO at the address below. All appeals will be considered on a case by case basis.
