

Qualification details

Qualification number/Te nama o te tohu mātauranga	3009		
English title/Taitara Ingarihi	New Zealand Certificate in Automotive Refinishing (Level 4)		
Māori title/Taitara Māori			
Version number/Te putanga	2	Qualification type/Te momo tohu	Certificate
Level/Te kaupae	4	Credits/Ngā whiwhinga	120
NZSCED/Whakaraupapa	030599 Engineering and Related Technologies > Automotive Engineering and Technology > Automotive Engineering and Technology not elsewhere classified		
Qualification developer/Te kaihanga tohu	MITO New Zealand Incorporated.		
Review Date /Te rā arotake	December 2025		

Outcome statement/Te tauāki ā-hua

Strategic Purpose statement/ Te rautaki o te tohu

This qualification provides the collision repair and automotive refinishing industry with individuals who have attained the knowledge and skills required to work as refinishers.

Graduates of this qualification may have some responsibility for the workplace as well as for the performance and safety of others.

This qualification is designed for people working in the industry and will typically be achieved in a workplace environment whilst completing a New Zealand Apprenticeship.

Graduate Profile/Ngā hua o te tohu

Graduates will be able to:

- Monitor an automotive refinishing workplace and respond to issues as required to maintain a safe and effective workplace
- Apply refinishing knowledge to select the appropriate tools, products and equipment for restoring and refinishing a vehicle's body surface
- Apply refinishing knowledge to mix and match colour, and ensure quality of a prepared body surface is in line with company requirements
- Apply refinishing knowledge to restore and refinish a vehicle's body surface.

Education Pathway/ Ngā huarahi mātauranga

This qualification follows on from the New Zealand Certificate in Collision Repair and Automotive Refinishing (Level 3) [Ref: 3008].

This qualification leads to the New Zealand Certificate in Automotive Refinishing (Specialist) (Level 5) [Ref: 3010].

Employment, Cultural, Community Pathway/ Ko ngā huarahi ā-mahi, ā-ahurea, ā-whānau, ā-hapū, ā-iwi, ā-hapori anō hoki

Graduates of this qualification will be able to work as refinishers in the collision repair and automotive refinishing industry and will be able to take some responsibility for the workplace.
