

Introduction to Commercial Road Transport

Micro-credential

Level 3

Te ara ki tua
Road
to success

This micro-credential is designed for individuals who have left secondary school and are interested in working in the commercial road transport industry.

From vehicle systems and documentation, through to driver roles and customer service, you'll gain the foundation knowledge required to gain an effective introduction to the industry or explore a potential career pathway.

Programme outline

This Level 3 micro-credential is expected to take four months to complete.

You will complete unit standards online via eLearning – this can be easily accessed at any time and from any device – mobile phone, tablet or PC.

2024 programme fee

Free until 31 December 2023.
