

**Ports and Stevedoring programme
for secondary school students**

LOADUP[®]

**Gain a micro-credential approved
by NZQA - with eLearning and
practical learning in the Ports
and Stevedoring industry**

LoadUp® offers secondary school students* the chance to earn a micro-credential in the Ports and Stevedoring industry approved by NZQA, credits towards NCEA and a great introduction to the workplace. The industry offers a number of career opportunities – including port administration, cargo handling, and heavy machine operation.

Supported by MITO, in partnership with secondary schools and port operators, LoadUp® has both eLearning and practical workplace learning. Unit standards completed for LoadUp® can be used towards the next step in a MITO ports and stevedoring traineeship.

Upon completion of this programme, students will achieve the LoadUp® – Ports and Stevedoring Micro-credential (Level 3, 14 credits) which will be listed on their NZQA Record of Achievement.

What is the fee per student?

\$200** per student, per year.

How does the student access eLearning?

The student must have a unique email address and access to an internet-enabled computer, tablet or mobile phone. After enrolment, the student will receive an email with their log-in details to MITO's learning management system.

What is a micro-credential?

Smaller than a qualification, micro-credentials certify achievement of a specific set of skills and knowledge and are approved by NZQA.

Can you help with the work placement?

Yes, we can help identify a port near your school.
