

Designed in consultation with industry, this training programme will provide you with the knowledge and skills required to safely and effectively carry out heavy vehicle and trailer wheel alignments.

Programme Outline

The Level 4 programme is expected to take 20 months to complete.

The training programme includes a mix of practical training and assessment, undertaken in the workplace, and eLearning, allowing you to complete theory elements of the programme at your own pace. You will have access to videos, learning activities and course assessments, which can be easily accessed at any time and from any device – mobile phone, tablet or PC.

QUALIFICATION OUTCOMES		LEVEL	CREDITS
