

In this programme you'll gain the skills and knowledge required to complete basic assembly, fit parts and components and carry out minor repairs on coaches, motor homes and caravans.

Programme Outline

This programme is expected to take 19 months to complete.

The training programme includes a mix of practical training and assessment, undertaken in the workplace, and eLearning, allowing you to complete theory elements of the programme at your own pace. You will have access to videos, interactive simulations and theory assessments, which can be easily accessed at any time and from any device – mobile phone, tablet or PC.
