**THE NEW ZEALAND CERTIFICATE IN
INDUSTRIAL TEXTILE FABRICATION (LEVEL 3)**

mito

Designed in consultation with industry, MITO's new training programme will provide you with the skills and knowledge to work safely and accurately fabricate a variety of industrial textile products – from canvas fabrication to motor trimming.

Whether you're already experienced or just starting out in the industry, this programme will ensure that you have the necessary practical skills for a creative, hands-on career.

Programme Outline

This Level 3 programme is made up of 120 credits and is expected to take 19 months to complete.

The training programme includes a mix of practical training and assessment, undertaken in the workplace, and eLearning, allowing you to complete theory elements of the programme at your own pace. You will have access to videos, learning activities and course assessments, which can be easily accessed at any time and from any device – mobile phone, tablet or PC.

The training programme will lead to the following qualification outcomes:

QUALIFICATION OUTCOMES		CREDITS
OUTCOME 1	Comply with organisational health and safety Standard Operating Procedures (SOPs)	10
OUTCOME 2	Contribute to, and communicate in, a work team in the industrial textiles trade environment	5
OUTCOME 3	Prepare, adjust and maintain textile fabrication machines and ancillary equipment	20

QUALIFICATION OUTCOMES		CREDITS
OUTCOME 4	Apply basic knowledge of materials and hardware used in industrial textile fabrication	10
OUTCOME 5	Apply knowledge of industrial textile fabrication techniques to create fabricated textile items as directed	75

Entry Requirements

You must be employed full-time in the industrial textile fabrication industry to enrol in this programme.

Programme Fee

There is no training fee for this programme until 31 December 2022.

Enrol Now

If you're ready to start shaping your career, enrol now at mito.nz/itf.

“ Getting qualified was a natural progression for me in my career. It's great to have my skills formally recognised. ”

Travis Howden, Industrial Textile Fabrication Technician

MITO is the industry training organisation for the New Zealand industrial textile fabrication industry. Thousands of professionals have qualified and built successful careers with MITO's on-the-job training programmes.
