**THE NEW ZEALAND CERTIFICATE IN
LIGHT AUTOMOTIVE ENGINEERING
(LEVEL 3 AND 4)**

mito

Whether you are new to the industry or already have some experience, the skills and knowledge gained through this innovative training programme will put you in the driver's seat towards becoming a qualified Automotive Technician.

Programme Outline

This Level 3 and 4 programme is made up of 320 credits and is expected to take 4 years to complete.

The training programme includes a mix of practical training and assessment, undertaken in the workplace, and eLearning, allowing you to complete theory elements of the programme at your own pace. You will have access to hundreds of videos, interactive simulations and theory assessments, which can be easily accessed at any time and from any device – mobile phone, tablet or PC.
