**THE NEW ZEALAND CERTIFICATE IN
MINING AND QUARRYING (LEVEL 2)**

mito

Designed in consultation with industry, this training programme is perfect for those entering the industry for the first time, providing foundation skills and the initial step in a rewarding career pathway.

Programme Outline

This Level 2 programme is expected to take 7 months to complete.

The training programme includes a mix of practical training and assessment, undertaken in the workplace, and eLearning, allowing you to complete theory elements of the programme at your own pace. You will have access to online learning activities and course assessments, which can be easily accessed at any time and from any device – mobile phone, tablet or PC.

The training programme will lead to the following qualification outcomes:

QUALIFICATION OUTCOMES		CREDITS
OUTCOME 1	Understand how health and safety is applied in the mining and quarrying industry, to undertake safety-related tasks, under supervision	25
OUTCOME 2	Demonstrate foundation understanding and ability to safely complete entry-level tasks related to mining and quarrying operations and processes under supervision	10
OUTCOME 3	Communicate orally and in writing at a foundation level within a mining and quarrying workplace, to contribute to team performance	5

Entry Requirements

You must be employed full-time in the mining and quarrying industry to enrol in this programme.

Programme Fee

There is no training fee for this programme until 31 December 2022.
