

**Industrial Textile Fabrication
programme for secondary
school students**

TRIMUP[®]

SHAPE YOUR FUTURE

**Gain a micro-credential approved
by NZQA - with eLearning and
practical learning in the industrial
textile fabrication industry.**

TrimUp® offers secondary school students the chance to earn a micro-credential approved by NZQA, credits towards NCEA, and a great introduction to the industrial textile fabrication industry.

Supported by MITO, in partnership with secondary schools and local businesses, TrimUp® has both eLearning and practical workplace learning. Completed unit standards can be used towards the next step in a MITO apprenticeship in the industrial textile fabrication industry.

Upon completion students will achieve the TrimUp® - Industrial Textile Fabrication Micro-credential (Level 2, 12 credits), which will be listed on their NZQA Record of Achievement.

GATEWAY

What is the fee per student?

\$200* per student, per year.

How does the student access eLearning?

The student must have a unique email address and access to an internet-enabled computer, tablet or mobile phone. After enrolment, the student will receive an email with their log-in details to MITO's learning management system.

What is a micro-credential?

Smaller than a qualification, micro-credentials certify achievement of a specific set of skills and knowledge and are approved by NZQA.

Can you help with the work placement?

Yes, we can help identify an industrial textile fabrication workplace near your school.

What is industrial textile fabrication?

This industry fabricates a variety of industrial textile products, from tents and vehicle upholstery to shade sails and inflatable boats.
