### Shipping Methods

Please double check your address and postcode details are correct. If a shipping quote is still unavailable, please contact our Training Resource Administrator on 0800 88 21 21

If you are using the correct post code and the shipping button still won't unlock, please email [ResourceOrders@MITO.org.nz](mailto:ResourceOrders@MITO.org.nz).

Why is a resource that I've previously purchased no longer available on your website?

There are a few reasons this might happen:

- The unit standard has expired
- The New Zealand government has changed legislation and our resources have yet to be updated to meet the legislative requirements.
- The unit standard is now available in a training programme offered by MITO – Te Pūkenga

A "D" License Endorsement is valid for five years, after which the learner must sit a renewal course.

If a learner is renewing their "D" License Endorsement, they can sit either the Red or the Blue Dangerous Goods Assessment Renewals. If the learner does not achieve the assessment on the colour they used, they must resit the assessment using the other colour.
